AMENDMENT

Sir:

In further response to the Official action of June 15 2001, please amend this application as follows:

IN THE CLAIMS:

Amend claims 12, 14 and 15 as follows:

12. A building unit module comprising a lattice framework formed of at least three parallel vertically oriented rectangular frame members spaced along the length of the module, multiple parallel horizontal runners connected to the frame members internally thereof, the runners each extending transversely to the rectangular frame
